LinkUp Technology

EXPERIENCE CERTIFICATE

Date: 04 Nov 2026

To whom it may concern,

This is to certify that Mr. Navin Bhandari has been associated with **LinkUp Technology**, Letang-9, Morang, Nepal, as an **AI Engineer** since June 2026, and continues to serve in this position.

During his tenure, Mr. Bhandari has demonstrated strong technical expertise, problem-solving skills, adaptability, and a professional approach to developing AI-powered and modern software applications.

He is involved in developing and integrating AI-powered and data-driven applications and has gained practical experience in AI engineering, intelligent application development, data engineering, software development, automation, cross-platform application development, software integration, testing, debugging, optimization, and deployment.

Mr. Bhandari works effectively both independently and as part of a team, demonstrating analytical thinking, communication, collaboration, accountability, and continuous learning. He consistently maintains a solution-oriented approach while working with evolving technologies and technical requirements.

We appreciate his valuable contributions to LinkUp Technology and recognize his continued commitment, professional growth, and contributions to the organization.

Sincerely,.

Laxman Khatiwada

Managing Director
